Capital Squares 2017 Open House

We are **CAPITAL SQUARES**, the premier square dance club in North Raleigh and we are hosting **TWO OPEN HOUSES** in February to introduce you to the fun of Square Dancing!

So what is Square Dancing? It is a style of dance for four couples (eight dancers) arranged in a square. The dancers are prompted through a choreographed sequence of steps by a caller. Our caller, **Greg Jones**, is a highly respected and credentialed Square Dance Caller/Instructor in the Raleigh area. And just wait until you hear him sing!

Not only do we have a stellar square dance caller, we also enjoy *Line Dancing* with instruction by Melody Carr.

It's a casual dress atmosphere. At the Open House events, you'll enjoy some beginner lessons and get a warm welcome from our amazing club members! We'll offer more information about club membership and ongoing lessons!

Since square dancing is a couples' activity, we encourage all who attend to come with a partner.
